

# PURPLE PLOW

Uncovering STEM Solutions

**Spring 2018 Challenge:**  
Growing Your Community

*I'm Your Recruiter!*

Name:

eMail:

## The latest resource in middle school maker space education.

The Purple Plow Challenge encourages students in 5th-8th grade to research scenarios related to food, hunger and sustainability and build their own prototypes to solve the defined problem. Resources provided for facilitators, students and volunteers are written by teachers, aligned to national learning standards and reviewed by industry experts.

**Enter your recruiter's name for a chance to win additional prizes!**
