

School/Club Name	
Team Number	<i>If your school or club has more than one team, have your teacher give each team a number. Enter that number here.</i>
How many students are on your team?	<i>If your entire class is working together on this project, please enter the number of students in your class. If you are working as a smaller team, enter the number of members on your team.</i>

Part 1: Reflection (Required)

Describe your project and the design process you used.

What challenges did you face while completing this project?

What were the highlights for you/your team during this project?

How did you share your new knowledge with others? (Examples: class or school presentation, shared knowledge with parent/guardian/peer, guest collaboration, etc.)

If you were to do the project again, what would you do differently?

Part 2: Data (Required)

Please include any data and/or charts you used to document information during your challenge here.

Part 3: Additional Support Links (Optional)

If you have additional supporting documents you wish to submit, such as collaborative Google Docs, images, or video presentations, please include links and/or images below.
