Part 1: Reflection (Required)

Describe your project and the design process you used.

What challenges did you face while completing this project?

What were the highlights for you/your team during this project?

How did you share this project? (Examples: class or school presentation, guest collaboration, etc.)

If you were to do the project again, what would you do differently?
Part 2: Data (Required)

Please include any data and or charts you used to document information during your challenge here.

Part 3: Social Media (Required post on at least 1 social media platform)

Please include a link and/or screenshot to document how you shared your Purple Plow Challenge @ThePurplePlow on social media.
